RUC PARTNERS

JOHANNESBURG BIBLE COLLEGE

The RUC-JBC partnership is such a blessing to the wider church, especially in Alex. Together we are training pastors to faithfully proclaim the Gospel and teach God's word in churches across the land. 80% of pastors are not trained – we are starting to tackle this. Over the past five years we have established training communities in the mornings and evenings, and are now building a college to serve Alex / Thembisa / Sandton and surrounds for years to come.

Please continue to pray for us. Visit **jbc.org.za** for more info.

RED FROGS

Red Frogs safeguards young people, empowering them to make positive life choices and become a voice of change. We believe when you're generous with your time and resources, that builds trust; trust builds relationships, and relationship leads to life change. Our heart is to see young people's lives transformed and come to know Jesus.

If you're keen to serve or support our team at Ballito Rage (28 Nov - 5 Dec), email **candace@redfrogs.co.za**

CAMPUS OUTREACH

Campus Outreach exists to glorify God by building labourers on the campus for the lost world. We believe universities are strategic mission fields, where young people are shaped to influence society. Across four South African campuses; UCT, UJ, UP and Wits; we seek to introduce students to Christ and equip them for lifelong faith and service. Here at RUC, our focus area is the Wits campus, which we thank God for Gospel favour amongst students, growing relationships and and also pray for three new believers to grow in faith, God's Word and Christian community.

RAYS OF HOPE

Rays of Hope is a non-profit organization based in Alexandra Township, Johannesburg, dedicated to transforming the lives of children and families through holistic, child-centered support. Guided by the Whole Child Model, our programmes focus on Early Childhood Development, Education Support, and Psychosocial care. By nurturing children's academic, emotional, social, and developmental needs, while supporting their families, we aim to create opportunities for every child to reach their full potential and contribute towards a stronger, thriving community.
